

Above: This year design duo Pearce Fionda get back to basics with classics like this satin tailored trouser suit

HELLO!
NUMBER 130 • OCTOBER 18, 1998 • £1.25

For a more serious approach, Helen (and a English Executive, Billie French, Christiana Ribeiro) and Pearce Fionda didn't hold games and instead embraced us long and American clothes that is realistic to create with the collection's name.

PEARCE FIONDA

This was a completely different Pearce Fionda show from last season, where the styling and accessories of the collection was of equal importance to that of the clothes. This season, Andrew and Ben stripped away the fluff to concentrate on getting the essence of the design right – and it worked brilliantly. Highlights included gender red tops teamed with three-quarter and full-length trousers, spool-styled slats with shimmering skirts, and sparkling wrap slats with ruffled overcoat boots.
